	Total letters sent per ISP	19			20		20	17			9		9	65

Summary

65 Template letters were despatched by 19 Clubs; they were sent from 11 different regions, ranging from Devon in the South West, to Sheffield in the North, and from Cheshire in the West to Suffolk in the East.

V and T only responded to the first few, but their nil responses have been counted as replies, as they stated to us that they would not sent out further replies to letters after the first few.)

Of the 65 letters sent out, a standard response was received from both Vodafone (29%) and Telefonica (26%) , neither of whom ticked a box from the 3 questions provided. There was no response from EE (20 letters) or 3 Mobile (9 Letters) .
